Dates for next Term

5th	March
12th	March

26th	March
2nd	April

Janet and I really enjoy our times with Lawn Chorus and are frequently amazed by what we achieve together. It's all about the joy of singing particularly singing together.

Please do feed back to us your feelings and ideas about the songs we sing and how we present them (i.e. do you like having the 'dots' to see where the melody goes, do you enjoy singing more challenging songs or would rather stick to easier songs to have a 'good' sing every week.)

We are thinking it would be good to do another fund raising evening—it keeps us on our toes if we know we are going to be singing to other people. We are hoping to book the school for June 28th which gives us plenty of time to practice and learn some new songs. Please use the back page to nominate a charity for the evening. The charity with the most nominations will be the charity we fund raise for.

Please take note of next terms dates and opportunities for singing with other people and groups.
